

INTRODUCING SENSORY FRIENDLY SUNDAYS AT THE WALKER ART CENTER

Sensory Friendly Sunday is a monthly, free event for kids, teens, and adults with sensory processing differences or Autism Spectrum Disorder and their families. You'll have the opportunity to make art together, explore the galleries, watch a short film, or just hang out in a different setting.

From 8 to 11 am on the first or second Sunday of each month, the galleries will be closed to all other visitors, allowing guests to enjoy the museum in a calm environment with accommodations such as quiet spaces, noise-canceling headphones, and fidgets provided.

In order to ensure an optimal experience and avoid crowds, we encourage you to reserve your space ahead of time.
